

NEW HAMPSHIRE EMPLOYEE REFERRAL INCENTIVE PROGRAM

Refer someone you know to work full-time, part-time or seasonally for the State of New Hampshire and make \$500 for part-time/seasonal or \$1,000 for full time employment for you and the new employee.

Here's How it Works

1. **Recruit:** The new applicant must put your name on their application as the referring source. This is the only way you will both receive the incentive for the referral.
2. **Refer:** Once your referral is hired into the vacant position, remains for 90 consecutive days (full-time) or 60 consecutive days (part-time/seasonal), and is in good standing, you will be one step closer to receiving your incentive of \$1,000 for full-time referrals or \$500 for part-time/seasonal referrals.
3. **Reward:** Your Incentive bonus of \$500 or \$1,000 will be released in a future paycheck.
4. **Reminder:** There is no need to contact HR. HR will automatically enter all qualifying applicants and referring employees into the system if the criteria is met. Please review the policy for details and exclusions.

Thank you for your help in hiring amazing team members for the State of NH!
