

New Hampshire State Plan on Aging Listening Session

Let your Voice Be Heard!

Share what living and aging in New Hampshire is like for you: what works, what doesn't, and what's on your wish list to make our state an even better place to age.

Thursday, February 2nd

12:00 Noon – 2:00 PM

**William B. Cashin Senior Activity Center
151 Douglas Street, Manchester**

The NH Department of Health and Human Services Bureau of Elderly and Adult Services (BEAS) is hosting listening sessions to inform the next four-year NH State Plan on Aging. The plan will serve to guide state and local governments, as well as community organizations in supporting all of us as we age. The Plan will also guide the implementation of Older Americans Act programs and services in New Hampshire from caregiver services to abuse prevention to meal programs to other home and community-based services and more.

To request an interpreter, CART (captioning), or other assistive listening devices / auxiliary aids for this event, please contact BEAS 5 business days before the listening session at 603-271-9203 or SPOA@dhhs.nh.gov. Efforts will be made to fulfill requests made less than 5 days prior to the event but cannot be guaranteed to be met.

CAN'T MAKE THIS SESSION? Please join another listening session **and/or** complete the online survey. Use the QR code on the right by February 17th to access the survey. Additional listening sessions:
