RE: 1st Opioid Litigation Settlement Fund Distribution

Deputy Attorney General Boffetti,

The Town of Derry received the 1st Opioid litigation settlement in the amount of \$6,961.23 in June 2021 from the State of New Hampshire. Upon receipt of these funds, the Town's governing body established a separate expendable trust fund to assist with accounting, investment and distribution of all proceeds received from settlements and judgements.

To date, none of these funds have been spent on Opioid mitigation as outlined in RSA-A:86. As the amount of available resources has become clearer, we will be developing a mediation plan with the Town's impacted departments and health partners in the near future.

We will forward an updated progress report by the due date of September 1, 2022.

Please let me know if you have any questions or require additional information.

Sincerely,

A handwritten signature in black ink, appearing to read "Mark A. Fleischer". The signature is fluid and cursive, with a long horizontal stroke at the end.
