AGENDA TOPICS

Time allotted | 15 minutes | Agenda topic Welcome and Roll Call |

We took this time as a reminder of our confidentiality rules that the committee needs to abide by. This includes but not limited to talking about case information outside of the meeting, but also having committee discussions among one another outside of the gathering of the group as a whole. Once a meeting is concluded than discussion should commence.

We also discussed that Marc Clement, Sarah Goss, Lisa Fontaine-Storez, and Jessica Bates attended the Northeast Child Fatality Regional Meeting. This conference had a theme of Health Equity and how to incorporate that more into recommendations and reviews. The attending members were able to get state updates from each of the New England states. The attendee were able to also hear that come of the concerns in New Hampshire about moving recommendation is also a concern in other states.

Time allotted | 20 minutes | Agenda topic: Drug Related Death Information | Presenter Lisa Fontaine-Storez

Lisa Fontaine-Storez shared some data, prevention, strategies, and resources around Teen and Young Adult Drug and Alcohol Use. This information is shared below.

At this time, the meeting was put into non-public session at 1:42 pm. Statement read by Vicki Blanchard. Seconded by Joy Barrett. Vote 24 yes, 0 no.

"I move to enter into non-public session for the purposes of, including but not limited to, discussing matters pertaining to a fatality review during which it is anticipated that information and issues will be discussed which would likely adversely affect the reputation of persons. Further, it is anticipated that there will be discussions about, including but not limited to, documents pertaining to internal personnel practices, confidential information, personnel, medical and other files and information whose disclosure would constitute an invasion of privacy all pursuant to RSA-91-A:3, II © and RSA 91-A:5, IV"

Time allotted | 2 hours 30 Minutes | Agenda topic: Case Reviews: Drug Related Overdoses
| Presenter Various Members

This portion of the meeting is non-public and the records are sealed.

Meeting has put back into public session at 3:56 pm.

"I move to seal the minutes of the non-public session because the disclosure of those minutes would likely adversely affect the reputation of persons and there was a discussion about, including but not limited to, documents pertaining to internal personnel practices, confidential information, personnel, medical, and any other files and information whose disclosure would constitute an invasion of privacy"

"The minutes are now sealed"

Meeting open to other business, but there was none.
