He-P 812.04 Initial License Application Requirements.

(a) Each applicant for a license shall comply with the requirements of RSA 151:4, I-III, and submit the following to the department:

(1) A completed application form entitled “Application for Residential, Health Care License or Special Health Care Services” (March 2019), signed by the applicant or 2 of the corporate officers affirming the following:

a. “I affirm that I am familiar with the requirements of RSA 151 and the rules adopted thereunder and that the premises are in full compliance. I understand that providing false information shall be grounds for denial, suspension, or revocation of the license, and the imposition of a fine.”;

NEW HAMPSHIRE CODE OF ADMINISTRATIVE RULES

b. For any ACS to be newly licensed:

“I certify that I have notified the public of intent to file this application with a description of the facility to be licensed by publishing a notice in a newspaper of general circulation covering the area where the facility is to be located in at least 2 separate issues of the newspaper no less than ten (10) business days prior to the filing of this application”;

c. For any ASC to be newly licensed and to be located within a radius of fifteen (15) miles of a hospital as a critical access hospital, pursuant to 42 C.F.R. 485.610 (b) and (c):

“I certify that the facility is to be located within a radius of fifteen (15) miles of a hospital as a critical access hospital, pursuant to 42 C.F.R. 485.610 (b) and (c), and that I have given written notice of the intent to file this application with a description of the facility to be licensed to the chief executive officer of the hospital by registered mail no less than ten (10) business days prior to the filing of this application.”; and

d. For facilities to be licensed under the listed categories:

“I understand that, in accordance with RSA 151:4, III(a)(7), this facility cannot be licensed pursuant to He-P 802, 806, 810, 811, 812, 816, 823, or 824 if it is within a radius of 15 miles of a hospital certified as a critical access hospital, pursuant to 42 C.F.R. 485.610(b) and (c), until the Commissioner makes a determination that the proposed new facility will not have a material adverse impact on the essential health care services provided in the service area of the critical access hospital. I also understand that if the Commissioner is not able to make such a determination, the license will not be issued.”

(2) A floor plan of the prospective ASC;

(3) If applicable, proof of authorization from the New Hampshire secretary of state to do business in New Hampshire in the form of one of the following:

- a. “Certificate of Authority” if a corporation;
- b. “Certificate of Formation” if a limited liability corporation; or
- c. “Certificate of Trade Name” if a sole proprietorship or if otherwise applicable;

He-P 812.05 Processing of Applications and Issuance of Licenses.

(a) An application for an initial license shall be complete when the department determines that all items required by He-P 812.04(a) have been received.

(b) If an application does not contain all of the items required by He-P 812.04(a), the department shall notify the applicant in writing of the items required before the application can be processed.

(c) Any licensing fee submitted to the department in the form of a check or money order and returned to the state for any reason shall be processed in accordance with RSA 6:11-a.

NEW HAMPSHIRE CODE OF ADMINISTRATIVE RULES

(d) Licensing fees shall not be transferable to any other application(s).

(e) Unless a waiver has been granted, the department shall deny a licensing request in accordance with He-P 812.13(b) if it determines that the applicant(s), administrator, or medical director:

(1) Has been convicted of a felony in this or any other state;

(2) Has been convicted of a sexual assault, other violent crime, assault, fraud, theft, abuse, neglect, or exploitation in this or any other state;

(3) Has a finding by the department or any administrative agency in this or any other state for assault, fraud, theft, neglect, or exploitation of any person; or

(4) Otherwise poses a threat to the health, safety, or well-being of a patient.

(f) Following both a clinical and life safety inspection, a license shall be issued if the department determines that an applicant requesting an initial license is in full compliance with RSA 151 and He-P 812.

(g) All licenses issued in accordance with RSA 151 shall be non-transferable by person or location.

(h) A written notification of denial, pursuant to He-P 812.13(a), shall be sent to an applicant applying for an initial license if it has been determined by the inspection in He-P 812.05(g) and a maximum of 2 follow-up inspections that the prospective premises are not in full compliance with RSA 151 and He-P 812.

(i) A written notification of denial, pursuant to He-P 812.13(b)(4), shall be sent to an applicant applying for an initial license if the department has received no communication from the applicant within 3 months of sending written notification to the applicant that their application is complete and an inspection needs to be scheduled.

He-P 812.06 License Expirations and Procedures for Renewals.

(a) A license shall be valid on the date of issuance and expire one year from date of issuance, unless a completed application for renewal has been received.

(b) Each licensee seeking renewal shall complete and submit to the department an application form pursuant to He-P 812.04(a)(1) at least 120 days prior to the expiration of the current license and include with the application:

(1) The current license number;

(2) A request for renewal of any existing non-permanent waivers previously granted by the department, in accordance with He-P 812.10(f), if applicable. If such a request is not received, the rule(s) for which the waiver was previously requested shall not continue to be waived beyond the expiration of the current license;

NEW HAMPSHIRE CODE OF ADMINISTRATIVE RULES

(3) A list of any current employees who have a permanent waiver granted in accordance with He-P 812.17(e)(2);

(4) A copy of any non-permanent or new variances applied for or granted by the state fire marshal, in accordance with Saf-C 6005.03- 6005.04, or successor rules, whether adopted by the department of safety, or amended pursuant to RSA 153:5, I by the state fire marshal, with the board of fire control; and

(5) A list of specialties that are performed at the center.

(c) In addition to He-P 812.06(b), if a private water supply is used, the licensee shall provide documentation that every 3 years the water supply has been tested for bacteria and nitrates and determined to be at acceptable levels, in accordance with Env-Dw 702 for bacteria and Env-Dw 704.02 for nitrates.

(d) Following an inspection as described in He-P 812.09, a license shall be renewed if the department determines that the licensee:

(1) Submitted an application containing all the items required by He-P 812.06(b) and (c) as applicable, prior to the expiration of the current license; and

(2) Is found to be in compliance with RSA 151, He-P 812, and all federal requirements at the renewal inspections, or has submitted a POC that has been accepted by the department and implemented by the licensee if areas of non-compliance were cited.

He-P 812.07 ASC Construction, Modifications or Renovations.

(a) For new construction and for rehabilitation of an existing building, including, but not limited to certain repairs, renovations, modifications, reconstruction, and additions, construction documents, and shop drawings, including architectural, sprinkler, and fire alarm plans shall be submitted to the department 60 days prior to the start of such work.

(b) The architectural, sprinkler, and fire alarm plans in (a) above shall accurately show the room designation(s) and exact measurements of each area to be licensed, including but not limited to window and door sizes and each room's use.

(c) Architectural, sprinkler, and fire alarm plans shall be submitted to the state fire marshal's office, as required by RSA 153:10-b, V.

(d) Any licensee or applicant who wants to use performance-based designs to meet the fire safety requirements shall provide the department with documentation of fire marshal approval for such methods.

(e) The department shall review construction documents, drawings, and plans of a newly proposed or existing facility for compliance with all applicable sections of RSA 151 and He-P 812 and shall notify the applicant or licensee whether the proposal complies with these requirements.

NEW HAMPSHIRE CODE OF ADMINISTRATIVE RULES

(f) The ASC shall comply with all applicable state laws, rules, and local ordinances when undertaking construction or rehabilitation.

(g) A licensee or applicant undertaking construction or rehabilitation of a building shall comply with the following:

(1) The state fire code, Saf-C 6000, as adopted by the commissioner of the department of safety under RSA 153, and as amended pursuant to RSA 153:5, I by the state fire marshal with the board of fire control, including but not limited to at a minimum:

a. If certified either directly or through accreditation with CMS, shall meet with Ambulatory Health Care Occupancy Chapter; or

b. If not certified either directly or through accreditation with CMS, meet the appropriate chapter of the life safety code occupancy, including but not limited to business, ambulatory health care occupancy; and

(2) The state building code as defined in RSA 155-A:1, IV, as amended by the building code review board pursuant to RSA 155-A:10, V.

(h) All ASCs, newly constructed or rehabilitated, after the 2019 effective date of He-P 812 shall comply with the Facility Guidelines Institute (FGI) “Guidelines for Design and Construction of Outpatient Facilities” (2018 edition) available as listed in Appendix A.

(i) Where rehabilitation is done with an existing facility, all such work shall comply, insofar as practicable, with applicable sections of the FGI “Guidelines for Design and Construction of Outpatient Facilities” (2018 edition) , available as listed in Appendix A.

(j) Per the FGI “Guidelines for Design and Construction of Outpatient Facilities” (2018 edition) available as noted in Appendix A.

(k) The department’s bureau of health facilities administration shall be the authority having jurisdiction for the requirements in (h) – (j) above and shall negotiate compliance and grant waivers in accordance with He-P 812.10 as appropriate.

(l) Penetrations, holes, or other openings in fire walls, fire partitions, smoke barriers, floors and ceilings that allow the transfer of fire, heat, or smoke shall be closed and sealed using a listed or approved sealant that provides an equivalent rating as provided by the original surface.

(m) Waivers granted by the department for construction or rehabilitation under the FGI guidelines above shall not require renewal unless the underlying reason or circumstances for the waivers change.

(n) Exceptions or variances pertaining to the state fire code referenced in (h)(1) above shall be granted only by the state fire marshal.

(o) The building, including all construction and rehabilitated spaces, shall be subject to an inspection pursuant to He-P 812.09 prior to its use.

He-P 812.08 ASC Requirements for Organizational Changes.

(a) The ASC shall provide the department with written notice at least 30 days prior to changes in any of the following:

- (1) Ownership;
- (2) Physical location;
- (3) Address;
- (4) Name; or
- (5) Services.

(b) The ASC shall complete and submit a new application and obtain a new or revised license, license certificate or both, as applicable, prior to operating, for:

- (1) A change in ownership; or
- (2) A change in the physical location.

(c) When there is a change in address without a change in location, the ASC shall provide the department with a copy of the notification from the local, state, or federal agency that requires the change.

(d) When there is a change in the name, the ASC shall submit to the department a copy of the certificate of amendment from the New Hampshire secretary of state, if applicable.

(e) When there is to be a change in the services provided, including the type of sedation used, the ASC shall provide the department with a description of the service change and, where applicable, identify what additional personnel will be hired and their qualifications, how the new services will be incorporated into the infection control and quality improvement programs, and describe what changes, if any, in the physical environment will be made.

(f) The department shall review the information submitted under (e) above and determine if the added services can be provided under the ASC current license.

(g) An inspection by the department shall be conducted prior to operation when there are changes in the following:

- (1) Ownership, unless the current licensee is in full compliance, in which case an inspection shall be conducted as soon as practical by the department;
- (2) The physical location;
- (3) A change in licensing classification; or

NEW HAMPSHIRE CODE OF ADMINISTRATIVE RULES

- (4) A change that places the facility under a different life safety code occupancy chapter.
- (h) A new license and license certificate shall be issued for a change in ownership or a change in physical location.
- (i) A revised license and license certificate shall be issued for changes in the ASC's name.
- (j) A revised license certificate shall be issued for any of the following:
- (1) A change of administrator or medical director;
 - (2) A change in address without a change in physical location; or
 - (3) When a waiver has been granted under He-P 812.10.
- (k) The ASC shall inform the department in writing no later than 5 days prior to a change in administrator or medical director in the event of death or other extenuating circumstances requiring an administrator or medical director change and provide the department with the following:
- (1) A resume identifying the name and qualifications of the new administrator or medical director;
 - (2) Copies of applicable licenses for the new administrator;
 - (3) The results of a criminal records check from the NH department of safety for the new administrator or medical director; and
 - (4) A copy of the criminal attestation as described in He-P 812.17(m)(9).
- (l) Upon review of the materials submitted in accordance with (k) above, the department shall make a determination as to whether the administrator or medical director meets the qualifications for the position as specified in He-P 812.16(c) and He-P 812.03(au).
- (m) If the department determines that the new administrator or medical director does not meet the qualifications, it shall so notify the ASC in writing so that a waiver can be sought or the licensee can search for a qualified candidate.
- (n) The ASC shall inform the department in writing via email, fax, or mail of any change in the e-mail address no later than 10 days of the change. The department shall use email as the primary method of contacting the facility in the event of an emergency.
- (o) A restructuring of an established ASC that does not result in a transfer of the controlling interest of the facility, but which might result in a change in the name of the facility or corporation, shall not constitute a change in ownership and a new license shall not be required.
- (p) If a licensee chooses to cease operation of an ASC, the licensee shall submit written notification to the department at least 60 days in advance which shall include a written closure plan.

He-P 812.09 Inspections.

(a) For the purpose of determining compliance with RSA 151 and He-P 812, as authorized by RSA 151:6 and RSA 151:6-a, the licensee shall admit and allow any department representative at any time to inspect the following:

- (1) The licensed premises;
- (2) All programs and services provided by the ASC; and
- (3) Any records required by RSA 151 and He-P 812.

(b) The department shall conduct a clinical and life safety inspection, as necessary, to determine full compliance with RSA 151 and He-P 812, prior to:

- (1) The issuance of an initial license;
- (2) A change in ownership except as allowed by He-P 812.08(g)(1);
- (3) A change in the physical location of the ASC;
- (4) A change in the licensing classification;
- (5) Occupation of space after construction, renovations or structural alterations; or
- (6) The renewal of a non-certified ASC license.

(c) In addition to (b) above, the department shall conduct an inspection as necessary to verify the implementation of any POC accepted or issued by the department.

(d) A statement of findings for clinical inspections or a notice to correct for life safety code inspections shall be issued when, as a result of any inspection, the department determines that the ASC is in violation of any of the provisions of He-P 812, RSA 151, or other federal or state requirement(s).

(e) If areas of non-compliance were cited in either a notice to correct or a statement of findings, the licensee shall submit a POC, in accordance with He-P 812, within 21 days of the date on the letter that transmits the inspection report.

NEW HAMPSHIRE CODE OF ADMINISTRATIVE RULES

He-P 812.10 Waivers.

(a) Applicants or licensees seeking waivers of specific rules in He-P 812 shall submit a written request for a waiver to the commissioner that includes:

- (1) The specific reference to the rule for which a waiver is being sought;
- (2) A full explanation of why a waiver is necessary; and
- (3) A full explanation of alternatives proposed by the applicant or license holder, which shall be equally as protective of public health and patients as the rule from which a waiver is sought, or provide a reasonable explanation why the applicable rule should be waived.

(b) Waivers shall be permanent unless the department specifically places a time limit on the waiver.

(c) A request for waiver shall be granted if the commissioner determines that the alternative proposed by the applicant or licensee:

- (1) Meets the objective or intent of the rule;
- (2) Does not negatively impact the health, safety or well-being of the patients; and
- (3) Does not negatively affect the quality of patient services.

(d) The licensee's subsequent compliance with the alternatives approved in the waiver shall be considered equivalent to complying with the rule from which waiver was sought.

(e) Waivers shall not be transferable.

(f) When a licensee wishes to renew a non-permanent waiver beyond the approved period of time, the licensee shall apply for a new waiver with the renewal application or at least 60 days prior to expiration of the existing waiver, as appropriate, by submitting the information required by (a) above.

(g) The request to renew a waiver shall be subject to (b) through (f) above.

He-P 812.11 Complaints.

(a) The department shall investigate any complaint that meets the following conditions:

- (1) The alleged violation(s) occurred not more than 6 months prior to the date the department was made aware of the allegation(s);
- (2) The complaint is based upon the complainants' first-hand knowledge regarding the allegations or on information reported directly to the complainant by a person who has first-hand knowledge regarding the allegation(s); or

NEW HAMPSHIRE CODE OF ADMINISTRATIVE RULES

(3) There is sufficient, specific information for the department to determine that the allegation(s), if proven to be true, would constitute a violation of any of the provisions of RSA 151 or He-P 812.

(b) When practicable the complaint shall be in writing and contain the following information:

- (1) The name and address of the ASC, or the alleged unlicensed individual or entity;
- (2) The name, address, and telephone number of the complainant; and
- (3) A description of the situation that supports the complaint and the alleged violation(s) of RSA 151 or He-P 812.

(c) Investigations shall include all techniques and methods for gathering information which are appropriate to the circumstances of the complaint, including, but not limited to:

- (1) Requests for additional information from the complainant or the facility;
- (2) A physical inspection of the premises;
- (3) Review of any relevant records; and
- (4) Interviews with individuals who might have information that is relevant to the investigation.

(d) For the licensed ASC, the department shall:

- (1) Provide written notification of the results of the investigation to the licensee along with an inspection report if areas of non-compliance were found as a result of the investigation;
- (2) Notify any other federal, state, or local agencies of suspected violations of their statutes, rules, or regulations based on the results of the investigation, as appropriate;
- (3) Notify the licensee, in writing, and take no further action if the department determines that the complaint is unfounded, under (a) above, or does not violate any statutes or rules; and
- (4) Require the licensee to submit a POC in accordance with He-P 812.

(e) The following shall apply for the unlicensed individual or entity:

- (1) The department shall provide written notification to the owner or person responsible that includes:
 - a. The date of investigation;
 - b. The reasons for the investigation; and
 - c. Whether or not the investigation resulted in a determination that the services being provided require licensing under RSA 151:2, I(d);
- (2) In accordance with RSA 151:7-a, II, the owner or person responsible shall be allowed 7 days from the date of receipt of the notice required by (e)(1) above to submit a completed application for a license;
- (3) If the owner of an unlicensed ASC does not comply with (e)(2) above, the department shall issue a written warning to immediately comply with RSA 151 and He-P 812; and

NEW HAMPSHIRE CODE OF ADMINISTRATIVE RULES

(4) Any person or entity who fails to comply after receiving a warning as described in (e)(3) above shall be subject to an action by the department for injunctive relief under RSA 151:17 and an administrative fine pursuant to He-P 812.

(f) Complaint investigation files shall be confidential in accordance with RSA 151:13 and shall not be disclosed publicly, but shall be released by the department on written request only:

- (1) To the department of justice when relevant to a specific investigation;
- (2) To law enforcement when relevant to a specific criminal investigation;
- (3) When a court of competent jurisdiction orders the department to release such information; or
- (4) In connection with any adjudicative proceedings relative to the licensee.

He-P 812.12 Administrative Remedies.

(a) The department shall, after notice and an opportunity to be heard, impose administrative remedies for violations of RSA 151, He-P 812, or other applicable licensing rules, including:

- (1) Requiring a licensee to submit a POC in accordance with (c) below;
- (2) Imposing a directed POC upon a licensee in accordance with (d) below;
- (3) Imposing conditions upon a licensee; or
- (4) Monitoring of a license.

(b) When administrative remedies are imposed, the department shall provide a written notice, as applicable, which:

- (1) Identifies each area in which the licensee is not in compliance with RSA 151 or a provision of these rules; and
- (2) Identifies the specific remedy(s) that has been proposed.

(c) A POC shall be developed and enforced in the following manner:

- (1) Upon receipt of a statement of findings or a notice to correct the licensee shall submit its written POC for each item, written in the appropriate place on the state notice detailing:
 - a. How the licensee intends to correct each area of non-compliance;
 - b. What measures will be put in place, or what system changes will be made to ensure that the non-compliance does not recur, to include how the measures will be evaluated for effectiveness;

NEW HAMPSHIRE CODE OF ADMINISTRATIVE RULES

- c. The date by which each area of non-compliance shall be corrected; and
 - d. The position of the employee responsible for the corrective action.
- (2) The licensee shall submit a POC to the department within 21 days of the date on the letter that transmitted the statement of findings or notice to correct unless the licensee requests, either verbally or in writing, and the department agrees, to extend that deadline, based on the following criteria:
- a. The licensee demonstrates that he or she has made a good faith effort to develop and submit the POC within the 21-day period but has been unable to do so; and
 - b. The department determines that the health, safety, or well-being of a patient will not be jeopardized as a result of granting the extension;
- (3) The department shall review and accept each POC that:
- a. Achieves compliance with RSA 151 and He-P 812;
 - b. Addresses all areas of non-compliance as cited in the statement of findings or notice to correct;
 - c. Prevents a new violation of RSA 151 or He-P 812 as a result of the implementation of the POC; and
 - d. Specifies the date upon which the areas of non-compliance will be corrected;
- (4) If the POC is acceptable, the department shall issue a license certificate or provide written notification of acceptance of the POC, whichever is applicable;
- (5) If the POC is not acceptable the department shall notify the licensee in writing, within 14 days, of the reason for rejecting the POC;
- (6) The licensee shall develop and submit a revised POC within 14 days of the date of the written notification from the department that states the original POC was rejected unless, within the 14-day period, the licensee requests an extension, either via telephone or in writing, and the department grants the extension, based on the following criteria:
- a. The licensee demonstrates that he or she has made a good faith effort to develop and submit the POC within the 14-day period but has been unable to do so; and
 - b. The department determines that the health, safety, or well-being of a patient will not be jeopardized as a result of granting the waiver;
- (7) The revised POC shall comply with (c)(1) above and be reviewed in accordance with (c)(3) above;
- (8) If the revised POC is not acceptable to the department, or is not submitted within 14 days of the date of the written notification from the department that states the original POC was rejected, the licensee shall be subject to a directed POC in accordance with (d) below and a fine in accordance with He-P812.13(c)(12);
- (9) The department shall verify the implementation of any POC that has been submitted and accepted by:

NEW HAMPSHIRE CODE OF ADMINISTRATIVE RULES

- a. Reviewing materials submitted by the licensee;
- b. Conducting a follow-up inspection; or
- c. Reviewing compliance during the next annual inspection;

(10) Verification of the implementation of any POC shall only occur after the date of completion specified by the licensee in the plan; and

(11) If the POC or revised POC has not been implemented by the completion date at the time of the next inspection, the licensee shall be:

- a. Notified by the department in accordance with He-P 812.12(b); and
- b. Issued a directed POC in accordance with (d) below and shall be subject to a fine in accordance with He-P 812.13(c)(13) below.

(d) The department shall develop and impose a directed POC that specifies corrective actions for the licensee to implement when:

- (1) As a result of an inspection, areas of non-compliance were identified that require immediate corrective action to protect the health and safety of the patients and personnel;
- (2) A revised POC is not submitted within 14 days of the written notification from the department or such other date as applicable if an extension was granted by the department; or
- (3) A revised POC submitted by the licensee or administrator has not been accepted.

(e) If at the time of the next inspection the directed POC referenced in (d) above has not been implemented by the completion date stated in the directed POC, the department shall:

- (1) Issue a warning that enforcement action will be taken if the POC is not implemented;
- (2) Impose a fine;
- (3) Deny the application for a renewal of a license in accordance with He-P 812.13(b); or
- (4) Revoke the license in accordance with He-P 812.13(b).

(f) The department shall offer an opportunity for informal dispute resolution to any applicant or licensee who disagrees with an area or areas of non-compliance cited by the department on a statement of findings, provided that the applicant or licensee submits a written request for an informal dispute resolution.

(g) The informal dispute resolution shall be requested in writing by the applicant, licensee or program director no later than 14 days from the date the statement of findings was issued by the department.

(h) The department shall change the statement of findings if, based on the evidence presented, the statement of findings is determined to be incorrect. The department shall provide a written notice to the applicant or licensee of the determination.

(i) The deadline to submit a POC in accordance with (c) above shall not apply until the notice of the determination in (h) above has been provided to the applicant or licensee.

(j) Any violations cited for the state fire code may be appealed to the New Hampshire state fire marshal and shall not be the subject of informal dispute resolutions as described in this section.

NEW HAMPSHIRE CODE OF ADMINISTRATIVE RULES

(k) An informal dispute resolution shall not be available for any applicant or licensee against whom the department has imposed an administrative fine or initiated action to suspend, revoke, deny or refuse to issue or renew a license.

(l) The department shall impose state monitoring under the following conditions:

- (1) Repeated non-compliance on the part of the facility in areas that impact health, safety, or well-being of patients; or
- (2) The presence of conditions in the ASC that negatively impact the health, safety, or well-being of patients.

He-P 812.13 Enforcement Actions and Hearings.

(a) Prior to taking enforcement action against an applicant or licensee, the department shall send to the applicant or licensee a written notice that sets forth:

- (1) The reasons for the proposed action;
- (2) The action to be taken by the department;
- (3) If a fine is imposed, the automatic reduction of the fine by 25% if the fine is paid within 10 days of the date on the written notice from the department and the area of non-compliance has been corrected, or a POC has been accepted and approved by the department; and
- (4) The right of an applicant or licensee to an administrative hearing in accordance with RSA 151:8 or RSA 541-A:30, III, as applicable, before the enforcement action becomes final.

(b) The department shall deny an application or revoke a license if:

- (1) An applicant or a licensee has violated a provision of RSA 151 or He-P 812, which violations have the potential to harm a patient's health, safety, or well-being;
- (2) An applicant or a licensee has failed to pay an administrative fine imposed by the department;
- (3) An applicant or a licensee has had a check returned to the department for insufficient funds and has not re-submitted the outstanding fee or fine in the form of cash, money order, or certified check;
- (4) After being notified of and given an opportunity to supply missing information, or schedule an initial inspection, an applicant, or licensee fails to submit an application that meets the requirements of He-P 812.04;
- (5) An applicant, licensee, or any representative or employee of the applicant or licensee:

NEW HAMPSHIRE CODE OF ADMINISTRATIVE RULES

- a. Provides false or misleading information to the department;
- b. Prevents or interferes with, or fails to cooperate with any inspection or investigation conducted by the department; or
- c. Fails to provide requested files or documents to the department;

(6) The licensee failed to implement or continue to implement a POC that has been accepted or imposed by the department in accordance with He-P 812.12(c), (d), and (e);

(7) The licensee has submitted a POC that has not been accepted by the department in accordance with He-P 812.12(c)(5) and has not submitted a revised POC in accordance with He-P 812.12(c)(5)(b);

(8) The licensee is cited a third time under RSA 151 or He-P 812 for the same violations within the last 5 inspections;

(9) A licensee, or its corporate officers, has had a license revoked and submits an application during the 5-year prohibition period specified in (j) below;

(10) Unless a waiver has been granted, upon inspection, the applicant's premise is not in compliance with RSA 151 or He-P 812;

(11) Unless a waiver has been granted, the department makes a determination that the applicant, administrator, licensee, or a household member has been found guilty of or pled guilty to a felony assault, fraud, theft, abuse, neglect, or exploitation adjudicated and founded by the department or any administrative agency in this or any other state;

(12) The applicant or licensee employs an administrator who does not meet the qualifications for the position under circumstances in which the department has not granted a waiver; or

(13) The applicant has had a license revoked by any division or unit of the department within 5 years prior to the application.

(c) The department shall impose fines as follows:

(1) For a failure to cease providing unlicensed services after being notified by the department of the need for a license, in violation of RSA 151:2, the fine shall be \$2000.00 for an applicant or unlicensed provider;

(2) For a failure to cease operations after a denial of a license or after receipt of an order to cease and desist, in violation of RSA 151:2 and RSA 541-A:30, or continuing to operate after a failure to renew the license by the expiration date, the fine for an applicant, unlicensed entity, or a licensee shall be \$2000.00;

(3) For advertising services or otherwise representing themselves as having a license to provide services that they are not licensed to provide, in violation of RSA 151:2, III, the fine for an applicant, licensee, or unlicensed provider shall be \$500.00;

(4) For a failure to transfer a patient whose needs exceed the services or programs provided by the ASC, in violation of RSA 151:5-a, the fine shall be \$500.00;

(5) For admission of a patient whose needs exceed the services or programs authorized by the ASC, in violation of RSA 151:5-a, II and He-P 812.15(a), the fine for a licensee shall be \$1000.00;

NEW HAMPSHIRE CODE OF ADMINISTRATIVE RULES

- (6) For a failure to comply with the directives of a warning issued by the department, in violation of RSA 151:7-a and He-P 812.11(e), the fine for an unlicensed provider or licensee shall be \$500.00;
- (7) For a failure to submit a renewal application for a license prior to the expiration date, in violation of He-P 812.06(b), the fine shall be \$100.00;
- (8) For a failure to notify the department prior to a change of ownership, in violation of He-P 812.08(a)(1), the fine shall be \$500.00;
- (9) For a failure to notify the department prior to a change in the physical location, in violation of He-P 812.08(a)(2), the fine shall be \$500.00;
- (10) For a failure to notify the department of a change in e-mail address, in violation of He-P 812.08(n), the fine shall be \$100.00;
- (11) For a refusal to allow access by the department to the ASC's premises, programs, services or records, in violation of He-P 812.09(a), the fine for an applicant, unlicensed entity, or licensee shall be \$2000.00;
- (12) For a failure to submit a POC or revised POC, within 21 or 14 days, respectively, of the date on the letter that transmits the inspection report, or the date of an extension as granted, in violation of He-P 812.12(c)(2) or (5), the fine for a licensee shall be \$500.00;
- (13) For a failure to implement or maintain the corrective action set forth in any POC that has been accepted or issued by the department, in violation of He-P 812.12(c)(8), the fine for a licensee shall be \$1000.00;
- (14) For a failure to establish, implement or comply with licensee policies, as required by He-P 812.18(b) and (f), the fine for a licensee shall be \$500.00;
- (15) For a failure to provide services or programs required by the licensing classification and specified by He-P 812.18, the fine for a licensee shall be \$500.00;
- (16) For providing false or misleading information or documentation, in violation of He-P 812.14(g), the fine shall be \$1,000.00 per offense;
- (17) For a failure to meet the needs of a patient or patients, as described in He-P 812.14(j), the fine for a licensee shall be \$1,000.00 per patient;
- (18) For placing a patient in a room that has not been approved or licensed by the department, in violation of He-P 812.09(b)(5), the fine for a licensee shall be \$500.00;
- (19) For employing an administrator or other personnel who do not meet the qualifications for the position, without having a waiver granted by the department in accordance with He-P 812.10, in violation of He-P 812.16(b), the fine for a licensee shall be \$500.00;
- (20) For failure to submit architectural plans or drawings; when applicable, prior to undertaking construction or renovation of the licensed facility in violation of He-P 812.07(a), the fine for a licensed facility shall be \$500.00;
- (21) For occupying a renovated area of a licensed facility or a new construction prior to approval by local and state authorities; as required by He-P 812.09(b)(5), the fine shall be

NEW HAMPSHIRE CODE OF ADMINISTRATIVE RULES

\$500.00 which shall be assessed daily if the facility fails to vacate the renovated area immediately upon receiving notice from the department;

(22) When an inspection determines that a violation of RSA 151 or He-P 812 for which a fine was previously imposed, in addition to any other enforcement actions taken by the department, the fines assessed shall be as follows:

a. If the same area of non-compliance is cited within 2 years of the original non-compliance, the fine shall be \$1,000.00; or

b. If the same area of non-compliance is cited a third time within 2 years of being fined in (a) above, the fine for a licensee shall be \$2000.00; and

(23) Each day that the individual or licensee continues to be in violation of the provisions of RSA 151 or He-P 812 shall constitute a separate violation and shall be fined in accordance with He-P 812.12(c), provided that if the applicant or licensee is making good faith efforts to comply with the provisions of RSA 151 or He-P 807, as verified by documentation or other means, the department shall not issue a daily fine.

(d) Payment of any imposed fine to the department shall meet the following requirements:

(1) Payment shall be made in the form of check or money order made payable to the "Treasurer, State of New Hampshire", or cash in the exact amount due; and

(2) Cash, money order, or certified check shall be required when an applicant or licensee has issued payment to the department by check, and such check was returned for insufficient funds.

(e) An applicant or licensee shall have 30 days after receipt of the notice of enforcement action to request a hearing to contest the action.

(f) If a written request for a hearing is not made pursuant to (e) above, the action of the department shall become final.

(g) The department shall order the immediate suspension of a license and the cessation of operations when it finds that the health, safety, or welfare of patients is in jeopardy and requires emergency action in accordance with RSA 541-A:30, III.

(h) If an immediate suspension is upheld, the licensee shall not resume operating until the department determines through inspection that compliance with RSA 151 and He-P 812 is achieved.

(i) Hearings under this section shall be conducted in accordance with RSA 541-A and He-C 200.

(j) When an ASC's license has been denied or revoked, the applicant, licensee, or administrator shall not be eligible to reapply for a license or be employed as an administrator for at least 5 years, if the enforcement action pertained to their role in the ASC.

(k) The 5-year period referenced in (j) above shall begin on:

(1) The date of the department's decision to revoke or deny the license, if not filed; or

(2) The date a final decision upholding the action of the department is issued, if a request for a hearing is made and a hearing is held.

(l) Notwithstanding (j) above, the department shall consider an application submitted after the decision to revoke or deny becomes final, if the applicant demonstrates that circumstances have changed to

the extent that the department now has good cause to believe that the applicant has the requisite degree of knowledge, skills, and resources necessary to maintain compliance with the provisions of RSA 151 and He-P 812.

(m) If the department has reasonable information or evidence that a licensee, applicant, administrator, or others are circumventing (l) above by applying for a license through an agent or other individual and will retain ownership, management authority, or both, the department shall deny the application.

(n) No ongoing enforcement action shall preclude the imposition of any remedy available to the department under RSA 151, RSA 541-A, or He-P 812.

NEW HAMPSHIRE CODE OF ADMINISTRATIVE RULES

(o) The licensee shall admit and allow any department representative to inspect the premises and all programs and services that are being provided by the licensee at any time for the purpose of determining compliance with RSA 151 and He-P 812 as authorized by RSA 151:6 and RSA 151:6-a.

(p) Licensees shall, in accordance with He-P 812.15:

- (1) Report all adverse events to the department as required by He-P 812.15(a)-(c);
- (2) Submit additional information if required by the department; and
- (3) Report the event to other agencies as required by law.

(q) A licensee shall, upon request, provide a patient or the patient's guardian or agent, if any, with a copy of his or her patient record pursuant to the provisions of RSA 151:21, X.

(r) All records required for licensing shall be legible, current, accurate, and available to the department during an inspection or investigation conducted in accordance with RSA 151:6 and RSA 151:6-a.

(s) Any licensee that maintains electronic records shall develop written policies and procedures designed to protect the privacy of patients and personnel that, at a minimum, include:

- (1) Procedures for backing up files to prevent loss of data;
- (2) Safeguards for maintaining the confidentiality of information pertaining to patients and personnel; and
- (3) Systems to prevent tampering with information pertaining to patients and personnel.

(t) The licensee shall develop policies and procedures regarding the release of information contained in patient records.

(u) The licensee shall provide cleaning and maintenance services, as needed, to protect patients, personnel, and the public.

(v) The licensed premises shall comply with all state and local:

- (1) Health requirements;
- (2) Building ordinances;
- (3) Fire ordinances; and
- (4) Zoning ordinances.

(w) Smoking shall be prohibited in the ASC per RSA 155:66, I(b), except as permitted by RSA 155:67. If allowed, smoking shall be restricted to designated smoking areas as per the licensee's official smoking policy, but in no case shall smoking be permitted in any room containing an oxygen cylinder or oxygen delivery system or in a resident's bedroom.

(x) If the licensee is not on a public water supply, the water used by the licensee shall be suitable for human consumption, pursuant to Env-Dw 702.02 and Env-Dw 704.02.

(y) Upon request, the licensee shall give a patient and the patient's guardian, agent, or personal representative, or surrogate decision-maker as applicable, a listing of all known applicable charges and identify what care and services are included in the charge.

NEW HAMPSHIRE CODE OF ADMINISTRATIVE RULES

(z) The licensee may perform the following Clinical Laboratory Improvement Amendments (CLIA) waived tests, as per 42 CFR Part 493.15, without obtaining a NH state laboratory license:

- (1) Urine drug screening;
- (2) Alcohol screening;
- (3) Urine pregnancy; and
- (4) Glucose testing.

(aa) If the licensee collects urine specimens for laboratory testing, the licensee shall follow the manufacturer's instructions and the reference laboratory's instructions for collection, transporting, and storage of urine specimens.

(ab) If the licensee collects other human specimens it shall be licensed as a collection station in accordance with He-P 817.

(ac) If the ASC performs any laboratory test other than those exempted by (z) above, the licensee shall be licensed as a laboratory in accordance with He-P 808.

(ad) The ASC shall hold the appropriate CLIA certificate to perform any laboratory tests.

(ae) The licensee shall maintain the manufacturer's test system instructions including package inserts and operator's manuals.

He-P 812.15 Adverse Event Reporting.

(a) Pursuant to RSA 151:37-38, the ASC administrator or designee shall report to the department the following adverse events:

- (1) Serious reportable events and specifications published in the National Quality Forum's "Serious Reportable Events in Healthcare- 2011 Update" <http://www.qualityforum.org/WorkArea/linkit.aspx?LinkIdentifier=id&ItemID=69573>, available as noted in Appendix A;
- (2) The exposure of a patient to a non-aerosolized blood borne pathogen by a health care worker's intentional unsafe act; and
- (3) An act by a hospital or ambulatory surgery center staff with the potential to result or resulting in an infection or disease.

(b) If the licensee suspects an adverse event occurred, the ASC administrator or designee shall send a report to the department in electronic or paper format, within 15 business days after discovery of event including:

- (1) ASC information;
- (2) Patient information;

NEW HAMPSHIRE CODE OF ADMINISTRATIVE RULES

- (3) Event information; and
 - (4) Type of occurrence as listed in (a) above.
- (c) For events reported in (b) above the ASC shall, within 60 days, provide the department:
- (1) An analysis that includes the type of harm and contributing factors; and
 - (2) A corrective action plan that includes what corrective actions are planned, who is responsible for implementation, when the action will be implemented and what measurements will be used to evaluate the corrective action plan or the justification for not implementing a corrective action plan if the ASC determines that one is not required.
- (d) If the ASC suspects that it received a patient from a sending ASC or hospital that was subject to an adverse event, then the receiving ASC administrator or designee shall notify the sending ASC or hospital's administrator or designee and the department. The department shall inform the sending ASC or hospital that a report is required in accordance with (b) above.
- (e) Upon receipt of a report of an adverse event, the department shall:
- (1) Acknowledge receipt of event and review information for completeness;
 - (2) Review corrective action plan for system changes that reduce the risk repeat of similar adverse events;
 - (3) Communicate specific concerns to the ASC if the department does not find the corrective action plan credible;
 - (4) Track and analyze adverse events for trends, underlying system problems; and
 - (5) Provide information and make referrals to other state agencies as appropriate.

He-P 812.17 Personnel.

- (a) The licensee shall ensure that sufficient numbers of qualified personnel are present in the ASC to meet the needs of the patients at all times.
- (b) For all applicants for employment, volunteers, or independent contractors who provide direct personal care services to patients or who will be unaccompanied by an employee while performing non-direct care or non-personal services within the facility, the licensee shall:
 - (1) Obtain and review a criminal records check from the New Hampshire department of safety in accordance with RSA 151:2-d;
 - (2) Review the results of the criminal records check in accordance with (d) below;
 - (3) Verify the qualifications of all applicants prior to employment;

NEW HAMPSHIRE CODE OF ADMINISTRATIVE RULES

(4) Verify that the applicant is not on the List of Excluded Individuals/Entities, maintained by the U.S. Department of Health and Human Services Office of Inspector General; and

(5) Verify that the applicant is not listed on the BEAS registry maintained by the department's bureau of elderly and adult services.

(c) Unless a waiver is granted in accordance with (e)(2) below, the licensee shall not offer employment, contract with, or engage a person in (b) above, if the person:

(1) Has been convicted of any felony in this or any other state;

(2) Has been convicted for sexual assault, other violent crime, assault, fraud, theft, abuse, neglect, or exploitation in this or any other state;

(3) Has been found by the department or any administrative agency in this or any other state for assault, fraud, theft, abuse, neglect, or exploitation of any person; or

(4) Otherwise poses a threat to the health, safety, or well-being of patients.

(d) If the information identified in (c) above regarding any person subject to (b) above is learned after the person is hired, contracted with, or engaged with, the licensee shall immediately notify the department and either:

(1) Cease employing, contracting with, or engaging with the person; or

(2) Request a waiver of (c) above.

(e) If a waiver of (c) above is requested, the department shall review the information and the underlying circumstances in (c) above and shall either:

(1) Notify the licensee that the person shall not or no longer shall be employed, contracted with, or engaged by the licensee, if, after investigation, it determines that the person poses a threat to the health, safety, or well-being of a patient(s); or

(2) Grant a waiver of (c) above, if after the investigation, it determines that the person does not pose a current threat to the health, safety, or well-being of a patient(s).

(f) The licensee shall:

(1) Not employ, contract with, or engage with any person in (b) above who is listed on the BEAS state registry unless a waiver is granted by BEAS; and

(2) Only employ, contract with, or engage with board of nursing licensees who are listed on the licensing site with the NH board of nursing registry or compact site.

(g) In lieu of (c) and (f) above, the licensee may accept from independent agencies contracted by the licensee or by an individual patient to provide direct care or personal care services a signed statement that the agency's employees have complied with (c) and (f) above and do not meet the criteria in (c) and (g) above.

(h) All personnel shall:

(1) Meet the educational and physical qualifications of the position as listed in their job description;

NEW HAMPSHIRE CODE OF ADMINISTRATIVE RULES

- (2) Be licensed, registered, or certified as required by state statute and as applicable;

 - b. The duties and responsibilities, policies, procedures, and guidelines, of the position they were hired for;
 - c. The ASC's infection prevention program;
 - d. The ASC's fire, evacuation, and emergency plans which outline the responsibilities and educational requirements of personnel in an emergency; and
 - e. Mandatory reporting requirements for abuse or neglect such as those found in RSA 161-F and RSA 169-C:29;
 - (4) Complete a mandatory annual in-service education, which includes a review of the ASC's:
 - a. Policies and procedures on patient rights and responsibilities and abuse or neglect;
 - b. Infection prevention; and
 - c. Education program on fire and emergency procedures.
- (i) Prior to having contact with patients, personnel shall:
- (1) Submit to the licensee proof of a physical examination or a health screening conducted not more than 12 months prior to employment which shall include at a minimum the following:
 - a. The name of the examinee;
 - b. The date of the examination;
 - c. Whether or not the examinee has a contagious illness or any other illness that would affect the examinee's ability to perform their job duties;
 - d. Results of a 2-step tuberculosis (TB) test, Mantoux method or other method approved by the Centers for Disease Control (CDC); and
 - e. The dated signature of the licensed health practitioner;
 - (2) Be allowed to work while waiting for the results of the second step of the TB test when the results of the first step are negative for TB; and
 - (3) Comply with the requirements of the United States Centers for Disease Control "Guidelines for Preventing the Transmission of *M. tuberculosis* in Health-Care Settings" (2005 edition), available as noted in Appendix A, if the person has either a positive TB test, or has had direct contact or potential for occupational exposure to *M. tuberculosis* through shared air space with persons with infectious tuberculosis.
- (j) Personnel who have direct contact with patients who have a history of TB or a positive laboratory and antigen testing shall have a symptomology screen of a TB test.

NEW HAMPSHIRE CODE OF ADMINISTRATIVE RULES

(k) The licensee shall provide all personnel with an annual continuing education or in-service education training, which at a minimum contains the following:

- (1) The licensee's patient's rights and complaint procedures required under RSA 151;
- (2) The licensee's written emergency plan; and
- (3) The mandatory reporting requirements including RSA 161-F:46 and RSA 169-C:29.

(l) Current, separate and complete personnel files shall be maintained and stored in a secure and confidential manner.

(m) The licensee shall maintain a separate employee file for each employee, which includes the following:

- (1) A completed application for employment or a resume;
- (2) A signed statement acknowledging the receipt of the ASC's policy setting forth the patient's rights and responsibilities, and acknowledging training and implementation of the policy as required by RSA 151:20;
- (3) A job description signed by the individual that identifies the:
 - a. Position title;
 - b. Qualifications and experience; and
 - c. Duties required by the position;
- (4) Record of satisfactory completion of the orientation program required by (h)(3) above;
- (5) A copy of each current New Hampshire license, registration, or certification in health care field and basic life support certification, if applicable;
- (6) Documentation that the required physical examination or health screening and TB test results or radiology reports of chest x-rays, if required, have been completed by the appropriate health professionals;
- (7) Record of satisfactory completion of all required education programs and demonstrated competencies that are signed and dated by employee;
- (8) Documentation of annual performance review;
- (9) A statement which shall be signed at the time the initial offer of employment, contract, or engagement is made and then annually thereafter, that he or she:
 - a. Does not have a felony conviction in this or any other state;
 - b. Has not been convicted of a sexual assault, other violent crime, assault, fraud, theft, abuse, neglect or exploitation or pose a threat to the health, safety or well-being of a patient(s) in this or any other state; and
 - c. Has not had a finding by the department or any administrative agency in this or any other state for assault, fraud, theft, abuse, neglect or exploitation of any person in this or any other state;

NEW HAMPSHIRE CODE OF ADMINISTRATIVE RULES

(10) Documentation of the criminal records check;

(11) Documentation that the individual is not on the List of Excluded Individuals/Entities, maintained by the U.S. Department of Health and Human Services Office of Inspector General; and

(12) The results of the registry checks in (11) above.

(n) The licensee shall maintain the records, but not necessarily a separate file, for all volunteers and for all independent contractors who provide direct care or personal care services to patients or who will be unaccompanied by an employee while performing non-direct care or non-personal care services within the facility, as follows:

(1) For volunteers, the information in (m)(1), (3), (4), (6) and (8) through (12) above; and

(2) For independent contractors, the information in (m) (3), (4), (6) and (8) through (12) above.

(o) An individual need not re-disclose any of the matters in (9) and (10) above if the documentation is available and the department has previously reviewed the material and granted a waiver so that the individual can continue employment.

 - a. Nursing personnel;
 - b. Physicians; and
 - c. Other health professionals authorized by ASC policy;
 - (10) Documentation of a patient's refusal of any care or services;
 - (11) Transfer or discharge documentation including planning, referrals, and notifications to the patient and guardian, agent, or surrogate decision-maker, if any, of involuntary room change, if applicable;
 - (12) Laboratory, x-rays, or results of other diagnostic tests; and
 - (13) The consent for treatment signed by the patient, guardian, agent or surrogate decision-maker, if any.
- (d) Patient records shall be available to the professional staff and health care workers and any other person authorized by law or rule to review such records.
- (e) Patient records shall be retained in the facility and stored in an area inaccessible to those who do not have authorized access to such records.

NEW HAMPSHIRE CODE OF ADMINISTRATIVE RULES

(f) The licensee's policy shall determine the method by which release of information from patient records shall occur.

(g) When not being used by authorized personnel, patient records shall be safeguarded against loss or unauthorized use by implementation of appropriate use, handling, and storage procedures.

(h) Patient records shall be retained 7 years after the discharge of a patient. In the case of minors, patient records shall be retained until at least one year after reaching age 18, but in no case shall they be retained for less than 7 years after discharge.

(i) The ASC shall arrange for the storage of and access to patient records for 7 years in the event the ASC ceases operation.

(j) The licensee shall arrange for storage of and access to patient records for 7 years in the event the clinic ceases operation.

(k) The facility shall notify the department where the storage required in (i) above is located.

(l) Referrals to other health care providers shall occur if medically indicated and the facility does not provide the services required.

(m) Electronic records shall be maintained according to current HIPAA regulations to ensure confidentiality and adequate security.

(n) If the facility uses an electronic record storage system, it shall provide computer access to all patient records for the purpose of verifying compliance with all provisions of RSA 151 and He-P 812 for the onsite inspection. Access shall include assistance navigating the database and printing portions of the record, if needed.

(o) Radiologic services shall only be provided when integral to procedures offered by the ASC.

(p) The ASC shall adopt and implement policy and procedures that provide safety for patient and personnel and are based on nationally recognized standards.

- (3) The management of patients with infectious or contagious diseases or illnesses;
 - (4) The handling, transport, and disposal of those items identified as infectious waste in Env-Sw 103.28 and regulated by Env-Sw 904;
 - (5) Reporting of infectious and communicable diseases as required by He-P 301;
 - (6) Evaluating and revising the infection control program in accordance with current CDC recommended actions;
 - (7) Maintenance of a sanitary physical environment; and
 - (8) Infection control policies specific to each department.
- (c) The infection control education program shall:
- (1) Be completed by all personnel on an annual basis; and
 - (2) Address the:
 - a. Cause of infections;
 - b. Effect of infections;
 - c. Transmission of infections; and
 - d. Prevention and containment of infections.
- (d) Personnel infected with a disease or illness transmissible through food, saliva, or droplets, shall not provide direct care in any capacity until they are no longer contagious.
- (e) Personnel infected with scabies or lice shall not provide direct care to patients until such time as they are no longer infected.
- (f) Pursuant to RSA 141-C:1, employees with a newly positive Mantoux tuberculosis skin test or a diagnosis of suspected active pulmonary or laryngeal tuberculosis shall be excluded from the workplace until a diagnosis of tuberculosis is excluded or until the employee is receiving tuberculosis treatment and has been determined to be noninfectious by a licensed practitioner.
- (g) Personnel and staff with an open wound who provide direct care in any capacity shall cover the wound at all times by an impermeable, durable, secure-fitting bandage.
- (h) If the ASC has an incident of an infectious disease reported in (b)(5) above, the facility shall contact the public health nurse in the county in which the facility is located and follow the instructions and guidance of the nurse.
- (i) The ASC shall have available space, supplies and equipment for proper handling of suspected or actual infectious conditions.
- (j) The ASC shall require that licensed practitioners evaluate all patients at risk for an infection or communicable disease to ensure the detection or presence of same.
- (k) The ASC administrator shall appoint an infection control officer who shall:
- (1) Receive reports of communicable and infectious diseases; and

NEW HAMPSHIRE CODE OF ADMINISTRATIVE RULES

(2) Report to the director of the division of public health services all diseases for which reporting is required under RSA 141-C.

(l) The ASC shall have a policy requiring employees to make a report to the infection control officer if the employee suspects that they, another employee or patient has a communicable disease.

(m) The ASC shall identify, track, and report infections, as required by RSA 151:33 and He-P 309.

(n) The infection control program shall report to quality assurance and performance improvement (QAPI) on at least a quarterly basis.

He-P 812.21 Quality Assessment and Performance Improvement.

(a) The licensee shall develop and implement a quality improvement program that reviews policies and services and maximizes quality by preventing and correcting identified problems.

(b) As part of its quality improvement program, an interdisciplinary quality assurance and performance improvement committee shall be created and required to:

(1) Meet at least quarterly to evaluate quality assurance and performance improvement activities;

(2) Generate dated, written minutes for each meeting;

(3) Maintain all quality improvement activities, including minutes of meetings, for at least 2 years from the date the record was created; and

(4) Make recommendations to the governing body to improve the quality of care.

(c) Quality assurance and performance improvement activities shall include:

(1) Review of patterns and trends of activities which affect the quality of care;

(2) Ensuring that quality control logs for preventive maintenance and safety checks are maintained for all equipment according to manufacturer's recommendations or code requirements;

(3) Monitoring and evaluation of the quality of patient care and patient care services in the ASC which shall include:

a. Monitoring of medication use and review of pharmacy activity in the ASC;

b. Review of patient record quality;

c. Review of blood use in the ASC, as applicable; and

d. Review of other functions such as risk management, infection control, disaster planning, ASC safety, and utilization review; and

(4) Reviewing and making recommendations for improvement in areas such as:

NEW HAMPSHIRE CODE OF ADMINISTRATIVE RULES

- a. Infection surveillance;
 - b. Morbidity;
 - c. Mortality;
 - d. Monitoring of personnel quality control practices in each service; and
 - e. Adverse events in accordance with He-P 812.15.
- (d) For each quality assurance and performance improvement activity, the committee shall:
- (1) Determine the information to be monitored;
 - (2) Determine the frequency with which information will be reviewed;
 - (3) Determine the indicators that will apply to the information being monitored;
 - (4) Evaluate the information that is gathered;
 - (5) Determine the action that is necessary to correct identified problems;
 - (6) Recommend corrective actions to the ASC; and
 - (7) Evaluate the effectiveness of the corrective actions and determine additional corrective actions as applicable.

- (k) The ASC shall have a telephone to which the patients have access.
- (l) Toilet and bathing facilities shall be provided to meet patient needs in relation to the number, acuity, and gender of the patients, but no less than one toilet per 8 patient care stations.
- (m) Separate toilet facilities with hand washing sinks shall be provided for personnel and visitors.
- (n) All toilets shall be vented out-of-doors.
- (o) Each bathroom shall be equipped with:
 - (1) Soap dispensers;
 - (2) Paper towels or a hand-drying device providing heated air; and
 - (3) Hot and cold running water.
- (p) All showers and tubs shall have slip resistant floors and surfaces which are intact, easily cleanable, and impervious to water.
- (q) All hand-washing facilities shall be provided with hot and cold running water.
- (r) All bathroom and closet doors must either swing or slide and have latches or locks which shall be designed for easy opening from the inside and outside in an emergency.
- (s) The licensee shall comply with all state and local codes and ordinances for:

NEW HAMPSHIRE CODE OF ADMINISTRATIVE RULES

- (1) Zoning;
 - (2) Building;
 - (3) Health;
 - (4) Fire;
 - (5) Waste disposal; and
 - (6) Water.
- (t) The facility shall be accessible at all times of the year.
- (u) The licensee shall provide housekeeping and maintenance adequate to protect patients, personnel and the public.
- (v) Reasonable precautions, such as repair of holes and caulking of pipe channels, shall be taken to prevent the entrance of rodents and vermin.
- (w) Doors shall be of such width as to permit removal of a patient in a bed and meet the state fire and building codes.
- (x) Ventilation shall be provided throughout the entire ASC and, whenever necessary, mechanical means such as fans shall be provided to remove excessive heat, moisture, objectionable odors, dust, or explosive or toxic gases.
- (y) There shall be an emergency generator system to provide emergency power pursuant to the following, as adopted by the commissioner of the department of safety in Saf-C 6000, under RSA 153, and as amended pursuant to RSA 153:5, I by the state fire marshal with the board of fire control:
- (1) The Electrical Systems chapter of NFPA 99, Health Care Facilities Code; and
 - (2) The Standard for Emergency and Standby Power Systems, NFPA 110.
- (z) Waste water shall be disposed of through a system which meets the requirements of RSA 485:1-A and Env-Wq 1000. Sink drains which have no connection to sanitary sewers or septic systems and similar methods of disposal above ground shall be strictly prohibited.
- (aa) Facilities shall provide for prompt cleaning of bedpans, urinals and other utensils.
- (ab) Any locking mechanism utilized by the facility on egress doors shall comply with the Ambulatory Health Care Occupancy Chapter of NFPA 101 as adopted by the commissioner of the department of safety under Saf-C 6000, under RSA 153, and as amended pursuant to RSA 153:5, I by the state fire marshal with the board of fire control.
- (ac) The ASC shall maintain a system for sterilization of equipment and supplies as follows:
- (1) The sterilization system shall be checked for effective sterilization in accordance with the manufacturer's recommendation; and
 - (2) The results of these quality control tests shall be documented.
- (ad) The ASC shall have a storage room for clean/sterile supplies, including packs, which meets the following requirements:

NEW HAMPSHIRE CODE OF ADMINISTRATIVE RULES

- (1) There shall be provisions for ventilation, humidity, and temperature control;
- (2) Sterile supplies and equipment shall not be mixed with unsterile supplies; and
- (3) Sterile supplies shall be stored in dustproof and moisture free, labeled containers or cupboards.

(ae) Signs shall be provided at all entrances to restricted areas and shall clearly indicate that surgical attire is required.

(af) The ASC shall be divided into 3 designated areas, unrestricted, semi-restricted, and restricted, which are defined by the physical activities performed in each area and by the FGI's "Guidelines for Design and Construction of Outpatient Facilities, Chapter 2.7 Requirements for Outpatient Surgery Facilities" (2018 edition), available as noted in Appendix A.

(ag) Operating room sizes shall be based on procedures to be performed, including the number of staff required and the amount and size of equipment that will be used. At a minimum operating room sizes shall meet the requirements of the FGI's "Guidelines for the Design and Construction of Outpatient Facilities, Chapter 2.1 Common Elements for Outpatient Facilities and Chapter 2.7 Requirement for Outpatient Surgery Facilities" (2018 edition), available as noted in Appendix A. In addition, at a minimum, the square footage requirements, shall take into account circulation pathways, sterile fields, movable equipment, and anesthesia work area.

(ah) Operating rooms shall be located within the restricted corridors of the surgical suite.

(ai) Semi-restricted areas shall have ceilings that are smooth and without crevices, scrubbable, non-absorptive, Non-perforated and capable of withstanding cleaning with chemicals.

(aj) Restricted areas shall have ceilings that are monolithic. Cracks or perforations in these ceilings shall not be permitted and the central diffusers shall not be considered part of a monolithic ceiling. All access openings in these ceilings shall be gasketed.

(ak) If utilizing lay-in ceilings, it shall be gasketed or each ceiling tile shall weigh at least one pound per square foot.

(al) A nurse call system shall be required per the FGI's "Guidelines for the Design and Construction of Outpatient Facilities" (2018 edition), available as noted in Appendix A.

He-P 812.25 Life Safety and Fire Safety Procedures.

(a) The administrator or designee shall appoint a safety committee to include representatives from administration, clinical services and support services.

(b) The safety committee shall:

(1) Appoint a safety officer who shall:

- a. Inspect the ASC at least semi-annually to assure that all safety precautions are met; and

NEW HAMPSHIRE CODE OF ADMINISTRATIVE RULES

b. Report to the safety committee any findings noted during the inspections;

(2) Develop or approve written policies and procedures covering all matters of safety and fire protection and an emergency response plan, including:

a. The emergency procedures required by the emergency response plan shall include, but are not limited to, evacuation routes, emergency notification numbers and emergency instructions and shall be posted in locations accessible to personnel and visitors;

b. The ASC fire safety plan shall provide for the following:

1. Use of alarms;
2. Transmission of alarm to fire department;
3. Emergency phone call to fire department;
4. Response to alarms;
5. Isolation of fire;
6. Evacuation of immediate area;
7. Evacuation of smoke compartment;
8. Preparation of floors and building for evacuation; and
9. Extinguishment of the fire;

c. Ensuring that the fire safety and evacuation plans are available to all supervisory personnel;

d. Ensuring that all employees receive in-service annual training to clarify their responsibilities in carrying out the emergency plan; and

e. Ensuring that the required plan shall be readily available at all times in the telephone operator's location or at the security center; and

(3) Conduct fire drills, including the transmission of a fire alarm signal and simulation of emergency fire situation, as follows:

a. Recovery and operating room patients shall not be required to be moved during drills to safety areas or to the exterior of the building; and

b. Drills shall be conducted quarterly on each shift to familiarize ASC personnel with the signals and emergency action required under varied conditions.

(c) The emergency plan required by (b)(2) above shall be approved and signed by the local fire chief.

(d) The ASC shall notify the department and local fire department when a required sprinkler or fire alarm system is out of service for more than 4 hours in a 24-hour period. The ASC shall be evacuated or an approved dedicated fire watch shall be provided for all parties left unprotected by the shutdown until the sprinkler or alarm system has been returned to service.

NEW HAMPSHIRE CODE OF ADMINISTRATIVE RULES

(e) The ASC shall notify the department when the emergency power has been utilized for 6 or more hours due to power outage.

(f) Provisions shall be made for the medical gas(es) used in the facility. Adequate space for supply and storage, including space for serve cylinders, shall be provided. Protection of this area shall meet NFPA 101 and NFPA 99 Health Care Facilities Code, as adopted in Saf-C 6000 as adopted by the commissioner of the department of safety under RSA 153, and as amended pursuant to RSA 153:5, I by the state fire marshal with the board of fire control.

(g) If piped medical gas is used, the installation, testing, and certification of nonflammable medical gas and air systems shall comply with the requirements of NFPA 99, as adopted in Saf-C 6000 by the commissioner of the department of safety under RSA 153, and as amended pursuant to RSA 153:5, I by the state fire marshal with the board of fire control.

(h) Where the functional program requires, central clinical vacuum system installations shall be in accordance with NFPA 99, as adopted in Saf-C 6000 as adopted by the commissioner of the department of safety under RSA 153, and as amended pursuant to RSA 153:5, I by the state fire marshal with the board of fire control.

(i) If there is an incident including, but not limited to, fire, toxic fumes including smoke, flooding, and power outage, which requires the evacuation of the ASC all or in part, the ASC shall immediately notify the department by phone, once the incident has been stabilized. Within 72 hours of the incident, the ASC shall submit a written report which gives further details of the incident and the action taken.

He-P 812.26 Emergency Preparedness.

(a) Each facility shall have an emergency management committee, of which the facility administrator must be a member.

(b) The emergency management committee shall have the authority for developing, implementing, exercising, and evaluating an emergency management program.

(c) The emergency management committee shall include other individuals who have knowledge of the facility and the capability to identify resources from key functional areas within the facility and shall solicit applicable external representation, as appropriate.

(d) An emergency management program shall include, at a minimum, the following elements:

- (1) The emergency management plan, as described in (e) and (f) below;
- (2) The roles and responsibilities of the committee members;
- (3) How the plan is implemented, exercised, and maintained; and
- (4) Accommodation for emergency food and water supplies.

(e) The emergency management committee shall develop and institute a written emergency preparedness plan (plan) to respond to a disaster or an emergency.

NEW HAMPSHIRE CODE OF ADMINISTRATIVE RULES

(f) The plan in (e) above shall:

(1) Include site-specific plans for the protection of all persons on-site in the event of fire, natural disaster, severe weather, and human-caused emergencies to include, but not be limited to, missing participants and bomb threats;

(2) Be approved by the local emergency management director and reviewed and approved, as appropriate, by the local fire department;

(3) Be available to all personnel;

(4) Be based on realistic conceptual events;

(5) Be modeled on the Incident Command System (ICS) in coordination with local emergency response agencies;

(6) Include the facility's response to both short-term and long-term interruptions in the availability of utility service in the disaster or emergency, including establishing contingency plans for continuity of essential building systems or evacuation to include the following, as applicable:

a. Electricity;

b. Water;

c. Ventilation;

d. Fire protection systems;

e. Fuel sources;

f. Medical gas and vacuum systems, if applicable; and

g. Communications systems;

(7) Include a plan for alerting and managing staff in a disaster, and for accessing Critical Incident Stress Management (CISM), if necessary;

(8) Include the management of participants, particularly with respect to physical and clinical issues to include relocation of participants with their participant record including the medication administration records, if time permits, as detailed in the emergency plan;

(9) Include an educational program for the staff, which provides an overview of the components of the emergency management program, concepts of the ICS, and the staff's specific duties and responsibilities; and

(10) If the facility is located within 10 miles of a nuclear power plant and is part of the New Hampshire Radiological Emergency Response Plan (RERP), include the required elements of the RERP.

(g) Annually, the facility shall participate in a community-based disaster drill which may be a table top discussion drill with outside agencies.

(h) The facility shall review and update its emergency plan, as needed, as a result of drills and exercises, real event(s), and annual plan review.

NEW HAMPSHIRE CODE OF ADMINISTRATIVE RULES

(i) Notwithstanding (a)-(g) above, when an ASC is a part of a larger institution which has a comprehensive emergency preparedness plan, the ASC may use the institution's plan, and if so, it shall:

- (1) Identify the portions of the plan that pertain to the ASC in a separate document for use by ASC personnel;
- (2) Provide annual training to prepare personnel in its application as required by (g) above; and
- (3) Review and update the plan as required by (h) above.
