NEW HAMPSHIRE DEPARTMENT OF HEALTH AND HUMAN SERVICES

8/22/2022 public notice posted to:

Notice is hereby given that the New Hampshire (NH) Department of Health and Human Services (the Department) is proposing to amend the Title XIX State Plan to increase the reimbursement rate for eyeglasses.

Effective August 23, 2022, the Department is adjusting the reimbursement rate for eyeglasses based on terms of a new contract. There is no anticipated federal or non-federal fiscal impact for this contracted change for the remainder of federal fiscal year (FFY) 2022 (August 18 – September 30, 2022) nor for FFY 2023 (October 1, 2022 – September 30, 2023) due to increased enrollment in managed care organizations versus fee-for-service.

Copies of the draft State Plan page will be available by August 29, 2022. Please contact Janine Corbett at (603) 271-9421, or via e-mail at janine.s.corbett@dhhs.nh.gov, to request copies. The amendments to the State Plan pages may undergo further revisions before and after submittal to the Centers for Medicare and Medicaid Services (CMS) based upon public comment or CMS feedback. Comments will be due by September 12, 2022 and should be e-mailed to janine.s.corbett@dhhs.nh.gov or mailed to the Department of Health and Human Services, Division of Medicaid Services, 129 Pleasant Street–Brown Building, Concord, NH 03301-3857, ATTN: Janine Corbett.
