### 1.4 Background

#### 1.4.1 New Hampshire Department of Health and Human Services, Division for Children Youth and Families

The Department is responsible for promoting the health, safety, and well-being of the citizens of New Hampshire. To achieve that goal, the Department provides services for children, families, individuals, and seniors in areas such as mental health, developmental disabilities, substance abuse, and public health. The Department does this work through partnerships with families, community groups, providers, other state and local entities, and NH citizens.

The Department's Division for Children, Youth, and Families (DCYF) provides and manages services that strengthen families, keep children safe, and help families thrive. Through its responsibilities in both Child Protection and Juvenile Justice, DCYF works to support children, youth, and families together in their own homes and communities whenever possible. To achieve this, DCYF partners closely with families, the provider community, and other DHHS divisions.

#### 1.4.2 Objective

The Department seeks to expand the use of Restorative Practices by engaging existing community stakeholders in the process. Building community capacity at the local level can increase the opportunities for youth and family engagement without having to go through the traditional court process. The intent of implementing these services is to help prevent further delinquency of juveniles and reduce the number of juveniles entering the court system.

Training programs for Restorative Practices are not currently available and consistent throughout the state. The Department hopes to create consistent practices statewide by providing restorative tools for all partners and providers to utilize.

3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

**4. CONDITIONAL NATURE OF AGREEMENT.**

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds affected by any state or federal legislative or executive action that reduces, eliminates or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope for Services provided in EXHIBIT B, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. The State shall not be required to transfer funds from any other account or source to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

**5. CONTRACT PRICE/PRICE LIMITATION/ PAYMENT.**

5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT C which is incorporated herein by reference.

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete

compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.
