Early Childhood and Out-of-School Time Professionals Tuition Assistance

(Changes are in **bold, underlined and italicized text** below to enable vendors to quickly recognize changes in paragraphs and/or wording.)

On March 9, 2023, the New Hampshire Department of Health and Human Services published a Request for Applications: RFA-2024-DES-02-EARLY, soliciting applications from qualified Vendors to provide tuition assistance to qualifying early childhood education (ECE) and out-of-school time (OST) staff for college-level courses to develop professional qualifications associated with improved children’s kindergarten readiness and success in OST settings. The Tuition Assistance Program will provide tuition assistance for college-level courses to increase qualifications among New Hampshire’s ECE and OST workforce, who otherwise might not have the financial means to afford such classes due to the industry’s pay structure, and serve as a stepping-stone to a degree program and career advancement.

The Department is publishing this addendum to:
