

## **ADDENDUM #2**

On June 26, 2020, the New Hampshire Department of Health and Human Services published a Request for Proposal to procure a software system and associated services for New Hampshire Hospital for the development of a food service inventory system and meal tracker software.

**Pursuant to Section 4, Instructions, Subsection 4.12, Non-Commitment, of RFP-2021-NHH-03-FOODS Food Service Inventory System, the Department hereby cancels this RFP.**
