

### ADDENDUM #3

NH DHHS – RFP 2022-022

#### Electronic Infectious Disease Surveillance System

(Changes below appear in ***bold, underlined and italicized text*** to enable vendors to quickly identify changes in paragraphs and/or wording.)

On March 2, 2022, the New Hampshire Department of Health and Human Services published a Request for Proposals (RFP), seeking a vendor to develop and maintain a new electronic infectious disease surveillance system (with associated user interface) to modernize disease reporting, surveillance and management.

The infectious disease surveillance system is critical to the State’s capacity to monitor and control the spread of infectious diseases, detect outbreaks of infectious diseases, to respond in a timely manner to control their spread, and to report data to the Centers for Disease Control and Prevention as required.

The Department is publishing this addendum to:
