The Proposer's required signature on the Transmittal Cover Letter for a Proposal submitted in response to this RFP guarantees that the prices, terms and conditions, and services quoted have been established without collusion with other vendors and without effort to preclude the Department from obtaining the best possible competitive proposal.

6.9. Collaborative Proposals

Proposals must be submitted by one organization. Any collaborating organization must be designated as a subcontractor subject to the terms of Appendix A, P-37 General Provisions and Standard Exhibits.

6.10. Validity of Proposals

6.13. Public Disclosure

- 6.13.1. Pursuant to RSA 21-G:37, the content of responses to this RFP must remain confidential until the Governor and Executive Council have awarded a contract. At the time of receipt of Proposals, the Department

will post the number of responses received with no further information. No later than five (5) business days prior to submission of a contract to the Department of Administrative Services pursuant to this RFP, the Department will post the name, rank or score of each Proposer. The Proposer's disclosure or distribution of the contents of its Proposal, other than to the Department, will be grounds for disqualification at the Department's sole discretion.

- 6.13.2. The content of each Proposal and addenda thereto will become public information once the Governor and Executive Council have approved a contract. Any information submitted as part of a Proposal in response to this RFP may be subject to public disclosure under RSA 91-A. In addition, in accordance with RSA 9-F:1, any contract entered into as a result of this RFP will be made accessible to the public online via the website Transparent NH (www.nh.gov/transparentnh/). Accordingly, business financial information and proprietary information such as trade secrets, business and financials models and forecasts, and proprietary formulas may be exempt from public disclosure under RSA 91-A:5, IV.
- 6.13.3. Insofar as a Proposer seeks to maintain the confidentiality of its confidential commercial, financial or personnel information, the Proposer must clearly identify in writing the information it claims to be confidential and explain the reasons such information should be considered confidential. This must be done by separate letter identifying by page number and Proposal section the specific information the Vendor claims to be exempt from public disclosure pursuant to RSA 91-A:5. **The Proposer is strongly encouraged to provide a redacted copy of their Proposal.**
- 6.13.4. Each Proposer acknowledges that the Department is subject to the Right-to-Know Law New Hampshire RSA Chapter 91-A. The Department shall maintain the confidentiality of the identified confidential information insofar as it is consistent with applicable laws or regulations, including but not limited to New Hampshire RSA Chapter 91-A. In the event the Department receives a request for the information identified by a Proposer as confidential, the Department shall notify the Proposer and specify the date the Department intends to release the requested information. Any effort to prohibit or enjoin the release of the information shall be the Proposer's responsibility and at the Proposer's sole expense. If the Proposer fails to obtain a court order enjoining the disclosure, the Department may release the information on the date the Department specified in its notice to the Proposer without incurring any liability to the Proposer.

6.14. Non-Commitment

Notwithstanding any other provision of this RFP, this RFP does not commit the Department to award a contract. The Department reserves the right to reject any and

all Proposals or any portions thereof, at any time and to cancel this RFP and to solicit new Proposals under a new procurement process.

6.15. Liability

By submitting a Proposal in response to this RFP, a Proposer agrees that in no event shall the Department be either responsible for or held liable for any costs incurred by a Proposer in the preparation or submittal of or otherwise in connection with a Proposal, or for work performed prior to the Effective Date of a resulting contract.

6.16. Request for Additional Information or Materials

The Department may request any Proposer to provide additional information or materials needed to clarify information presented in the Proposal. Such a request will be issued in writing and will not provide a Proposer with an opportunity to change, extend, or otherwise amend its Proposal in intent or substance.

6.17. Oral Presentations and Discussions

The Department reserves the right to require some or all Proposers to make oral presentations of their Proposal. The purpose of the oral presentation is to clarify and expound upon information provided in the written Proposal. Proposers are prohibited from altering the original substance of their Proposals during the oral presentations. The Department will use the information gained from oral presentations to refine the technical review scores. Any and all costs associated with an oral presentation shall be borne entirely by the Proposer.

6.18. Successful Proposer Notice and Contract Negotiations

- 6.18.1. If a Proposer is selected, the Department will send written notification of their selection and the Department's desire to enter into contract negotiations. Until the Department successfully completes negotiations with the selected Proposer(s), all submitted Proposals remain eligible for selection by the Department. In the event contract negotiations are unsuccessful with the selected Proposer(s), the evaluation team may recommend another Proposer(s). The Department will not contact Proposer(s) that are not initially selected to enter into contract negotiations.

6.19. Scope of Award and Contract Award Notice

- 6.19.1. The Department reserves the right to award a service, part of a service, group of services, or total Proposal and to reject any and all Proposals in whole or in part. A contract award is contingent on approval by the Governor and Executive Council.

6.20. Site Visits

The Department may, at its sole discretion, at any time prior to contract award, conduct a site visit at the Proposer's location or at any other location deemed appropriate by the Department, to determine the Proposer's capacity to satisfy the terms of this RFP. The Department may also require the Proposer to produce additional documents, records, or materials relevant to determining the Proposer's capacity to satisfy the terms of this RFP. Any and all costs associated with any site visit or requests for documents shall be borne entirely by the Proposer.

6.21. Protest of Intended Award

Any challenge of an award made or otherwise related to this RFP shall be governed by RSA 21-G:37, and the procedures and terms of this RFP. The procedure set forth in RSA 21-G:37, IV, shall be the sole remedy available to challenge any award resulting from this RFP. In the event that any legal action is brought challenging this RFP and selection process, outside of the review process identified in RSA 21-G:37,IV, and in the event that the State of New Hampshire prevails, the challenger agrees to pay all expenses of such action, including attorney's fees and costs at all stages of litigation.

6.22. Contingency

Aspects of the award may be contingent upon changes to state or federal laws and regulations.

6.23. Ethical Requirements

From the time this RFP is published until a contract is awarded, no Proposer shall offer or give, directly or indirectly, any gift, expense reimbursement, or honorarium, as defined by RSA 15-B, to any elected official, public official, public employee, constitutional official, or family member of any such official or employee who will or has selected, evaluated, or awarded an RFP, or similar submission. Any Proposer that violates RSA 21-G:38 shall be subject to prosecution for an offense under RSA 640:2. Any Proposer who has been convicted of an offense based on conduct in violation of this section, which has not been annulled, or who is subject to a pending criminal charge for such an offense, shall be disqualified from submitting an Proposal to this RFP, or similar request for submission and every such Proposer shall be disqualified from submitting any Proposal or similar request for submission issued by any state agency. A Proposer that was disqualified under this section because of a pending criminal charge which is subsequently dismissed, results in an acquittal, or is annulled, may notify the Department of Administrative Services, which shall note that information on the list maintained on the state's internal intranet system, except in the case of annulment, the information, shall be deleted from the list.
