

ADDENDUM #3

RFP-2023-DLTSS-07-FEASI

Feasibility Study to Develop Programming that Defers and Delays Institutional Care for Dual Eligible Individuals

(Changes are in **bold, underlined and italicized text** below to enable vendors
to quickly recognize changes in paragraphs and/or wording.)

On July 24, 2023, the New Hampshire Department of Health and Human Services published a Request for Proposals, soliciting qualified Vendors to conduct a feasibility study to evaluate and determine the capacity to develop programming that defers and delays institutional care for individuals who are dually eligible for Medicare and Medicaid.

The Department is publishing this addendum to:

1. Delete and replace Section 2, Statement of Work, Subsection 2.2., Reporting, Paragraph 2.2.1., Subparagraph 2.2.1.1., with the following:

- 2.2.1.1. Written updates to the Department on data access, collection, analysis, and the status of other activities completed during the month, and any difficulties encountered. These reports are due by the seventh (7th) business day following the end of the month that is being reported on. **The feasibility study must be completed no later than January 31, 2025, with a final report submitted to the Department no later than March 31, 2025.**
