

ADDENDUM #1

RFP-2023-NHH-01-INVEN

Inventory Tracking System-Cloud Services

(Changes are in **bold, underlined and italicized text** below to enable vendors to quickly recognize changes in paragraphs and/or wording.)

On March 23, 2023, the New Hampshire Department of Health and Human Services published a Request for Proposals to provide a cloud-based third-party or Software as a Service (SaaS) system solution (System), or a self-hosted solution, to manage inventory tracking at New Hampshire Hospital, Glencliff Home, and Hampstead Hospital.

The Department is publishing this addendum to:

1. Modify Section 1, Overview and Schedule of Events, Subsection 1.4, Schedule of Events, Paragraph 1.4.1, to read:

1.4.1. The following table provides a Schedule of Events for this RFP through contract finalization and approval. The State reserves the right to amend this Schedule at its sole discretion and at any time through a published Addendum.
