

Appendix D – Technical Response to Questions

Instructions: Provide detailed responses in the text boxes to the questions below. If additional attachments are required as specified below, submit the attachments in the order they are requested below. There is no page limit for this Appendix D – Technical Response to Questions or any associated attachments.

Vendor Name	
--------------------	--

- 1. What is your experience with advancing the integration of peer support workers into the behavioral health system in New Hampshire and/or nationally? Please also include how your experience will inform this work.***

- 2. How will you approach recruiting and orienting members, for the advisory committee described above, to ensure participants are engaged in a meaningful way? Please include how you will organize the meetings and communicate with members to ensure the committee is productive and activities are well documented. Include specific relevant examples of your experience working with an advisory committee.***

3. *What is your experience helping states or other entities integrate and utilize national guidelines and evidence-based practices for mental health peer support workers? Include any experience with promoting improved access to employment, training, and career advancement pathways for mental health peers.*

4. *What is your experience creating trainings, web videos, toolkits, and/or resource libraries/repositories for recruitment, education, or advocacy purposes? Please include examples of your experience.*

New Hampshire Department of Health and Human Services
Appendix D – Technical Response to Questions

5. *What is your plan to develop and administer a peer workforce survey and peer employer survey as outlined above? Include your proposed survey method and past surveys you have organized and conducted.*

6. *How would your organization fulfill the above (2.1.6 & 2.1.7) deliverables? Describe what training modules, handouts, and other materials or content you would develop, including where content would be sourced from (i.e. testimony, research, existing national content).*
