

OFFICIAL RESPONSES TO VENDOR QUESTIONS
RFP-2024-DPHS-05-REPRO

No.	Question	Answer
1.	<p>Section 1.1., Introduction, and Section 2.2., Finance:</p> <p>If the potential Vendor is not qualified for Title X funds, should the budget, number of unduplicated patients, and narrative be included in Title X work and goals; or should it be focused on the TANF and State General funding opportunities?</p>	<p>Yes. The budget, number of unduplicated patients, and narrative must include Title X work and goals for those potential Vendors not qualified for Title X funds. Please note that all Applicants must indicate the total number of clients served by their organization, including those served utilizing Title X funds, in Appendix G, column C. In Appendix G, column D, Applicants must indicate only the additional number of unduplicated Family Planning clients that will be able to be served if awarded a contract. If a selected Vendor is not eligible for Title X funds, the resulting contract's budget must only include General funds and TANF funds. TANF funds must be spent in accordance with Appendix O, NH FPP TANF Policy.</p>
2.	<p>General:</p> <p>a) Does the recipient of the contract have to be a non-profit organization to be considered for contract approval?</p> <p>b) Does the potential Vendor need to complete Exhibit C as part of the application?</p>	<p>a) No. A contract recipient of Title X funds for this RFP would need to be a public or non-profit private entity. Any organization is eligible for General funds.</p> <p>b) No Exhibits under Appendix A are required to be completed as part of this application. Please refer to Section 5, Solicitation Response Requirements.</p>
