

ADDENDUM #1
RFP-2023-DMS-05-ASSET

Electronic Asset Verification System

(Changes are in **bold, underlined and italicized text** below to enable vendors to quickly recognize changes in paragraphs and/or wording.)

On September 22, 2022, the New Hampshire Department of Health and Human Services published a Request for Proposals, soliciting proposals for an Asset Verification System (AVS), which must include a software solution and support and maintenance to the State of New Hampshire, State of Health and Human Services, Division of Medicaid Services (State). Section 1940 of the Social Security Act (42 U.S.C. §1396w) requires all states to implement an electronic system for verifying disclosed and undisclosed assets for purposes of determining and re-determining Medicaid eligibility of aged (age 65 or over), blind or disabled individuals. The State is seeking a software solution along with support and maintenance to meet the requirements of §1940.

The Department is publishing this addendum to:

- 1. Delete and replace Section 1, Overview and Schedule of Events, Paragraph 1.2, Schedule of Events, with the following:**
