

The background of the left side of the page is a photograph of the Iwo Jima Memorial. It shows a group of soldiers in a dynamic, forward-leaning pose, struggling to raise the American flag on a tall pole. The scene is set against a dark sky, and the base of the sculpture is composed of large, rough-hewn rocks. The overall tone is somber and respectful.

Introduction

In New Hampshire, there are many paths for care available to help people of all ages live better in their communities. NHCarePath connects you to a range of information, assistance, and care throughout New Hampshire, including: resources for Veterans, Service Members, and their Families; caregiver resources; and services related to aging, disabilities, and independent living.

This resource guide is designed to strengthen resources for Veterans, Service Members, and their Families in the state of New Hampshire. It consists of local, state, and federal resources that span across a variety of services.

If you are looking to access services and supports in New Hampshire, you are invited to explore this resource guide, the NHCarePath website, and/or call 1-866-634-9412 to find assistance for your individual needs.

This guide is not a complete list of every resource in the state. If a resource is not listed, it does not mean that the resource does not exist or is not important. For more information and assistance finding resources that might not be listed in this guide, contact NHCarePath at 866-634-9412, or visit www.nhcarepath.org to search the public database for the most up-to-date services. To send requests for updates or to add a resource, please visit: <http://www.referweb.net/nhsl/content.aspx?servprov>.
